Release Notes

v2.17.5.0.5

Table of Contents

Application Changes 1

Application Changes

The following application items are corrected in this version:

Feature Area	Description
Approve Orders	<p>Made changes to the ordering code for the Approve Orders screen. Now the screen will pull Non-Compliance, Compliance, and Backorder orders from newest to oldest. The page will still only display a thousand orders.</p> <p>Steps to Test:</p> <ol style="list-style-type: none">1. Log in to the VOMS application.2. Select the State Approver Organization.3. Navigate to Approvals & Management > Approve Orders.4. Notice the page ordering is changed. <p>Notes: The page will update with new orders as orders are approved and sent to VTrckS.</p>
